PROFILE

I'm Aimad Kouchaid, a first-year Software Engineering student at Shandong University of Science and Technology. Passionate about web development, I work with HTML, CSS, JavaScript, React.js, and Tailwind, while also skilled in C/C++. Always learning and building to create impactful solutions.

EDUCATION

Bachelor of Shandong University Of Science and Technology 2024-2028

First year Software engineering Ungraduateed student

Self Study 2020-2023

I studied web development independently, building a strong foundation in HTML, CSS, JavaScript, and React.js through online courses and hands-on projects. I've created responsive websites and dynamic web applications, continuously improving my skills and staying updated with industry trends.
